

# REMOTE PRIVATE TRANCE

You know that the Trans-Formers have a message to spread, a message of help to all of humanity and especially to those who pay close attention to this message. The Trans-Formers are there for you, to guide you through all the steps of your emotional, professional and spiritual life. All you have to do is personally ask them about your health, your love life, your past and your future.

## Tips for your questions

**You are one of very few people who will experience a private session with the Trans-Formers. The only goal of these entities is to guide you, advise you, and help you in all areas of your life. They will shed light on your past, your present and your future. To prepare yourself and maximize your private trance experience, carefully follow these tips:**

- Important! Be sure to write your exact name and current address or telephone number.
- If you have questions about a particular person, make sure you have their exact name and current address or phone number. If the person is deceased, the entities will need the date of death. Please indicate this information right before the question concerning this person.
- Be precise when asking your questions. For example, if you would like to know if a transaction is successful, provide as many details as possible (date, place, etc.)
- The session is conducted in English, but you are welcome to ask your questions in French. We will translate as needed. Please indicate this on your form.
- According to the number of questions you have, the delivery time of your tape may vary from 2 to 6 weeks. Do not forget to indicate the exact address at which you would like to receive your cassette.
- Upon delivery of your cassette, you will receive a receipt for insurance purposes.
- Please note that you have the choice of sending your questions by e-mail, via our web site, by regular mail or by fax. We accept checks or credit card payments. The total payment must be sent along with your list of questions.
